PROFESSIONAL SUMMARY

I am an accomplished web developer with experience in HTML, CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB. I completed a 4-month internship at Salesken and a full-stack web development course from Masai School. I have strong problem-solving skills, and a proactive work approach, and excel in team collaboration with excellent communication. Committed to delivering quality work within deadlines, I am a quick learner, adaptable, detail-oriented, and passionate about writing optimized code.

WORK EXPERIANCE

Tech Intern
Salesken (06-March-2023 to 07-July-2023)
- Internship duration 4 Months.
- I work with senior developers to build web applications using React JS, HTML 5, JavaScript, and Bootstrap.
- This experience improved my software development skills and taught me industry-standard development practices.

PROJECTS

CHAT APPLICATION

The application provides an intuitive and user-friendly interface for users to engage in real-time conversations with others. It incorporates a range of features such as sign-up, sign-in, logout, profile image customization, user search, one-to-one chat, group creation, group chat, group administration, and message notifications.
Areas of Responsibility:-
- Complete Full Stack Application (Frontend & Backend)

Features:-
- User Authentication using JWT.
- Real-Time one-to-one and group chat.
- Create Group, Admin can add or remove users.
- Message notification.

Tech Stack: React JS | Node JS | Express JS | MongoDB | Redux | Socket.io | Tailwind CSS

FILE SHARING APP

This File Sharing App enables users to upload a file from the comfort of their own device and set a password to protect it. Share the link with others to download the file.
Areas of Responsibility:-
- Complete Frontend.
- Backend API for downloading the files.
- Backend API for Modify & Delete Files.

Features:-
- User Authentication.
- File uploading.
- Password protection for files.
- Downloading of files using shared links.

Tech Stack: React JS | Node JS | Express JS | MongoDB | Redux | Chakra UI
